Completed application and the non-refundable \$65 testing fee are due to school of first choice no later than Friday, November 16, 2018. Applicant must take Placement Test at the school of first choice. Those applicants who choose Ascension Catholic as their first choice school will not be tested for admission and therefore need not submit \$65 fee.

Each school will make its initial selections for admission from the pool of students who have selected that school as his/her first choice. Applications of students who have indicated designated schools as second or third choice will be considered based on availability of space and each designated school's admission criteria. Such consideration does not imply automatic offer(s) of admission from schools of second and/or third choice.

I agree to allow my child's previous school to share records and recommendations with the schools of first, second and third choice.

Dear Parents and Applicant,

The purpose of this letter is to explain the notification that will be sent to you by six Baton Rouge area Catholic high schools regarding admission decisions. We hope the following question and answer format will be helpful to you.

- Q. If I receive an offer of admission from my school of first choice, when will I be informed?
- A. Offers of admission from schools of first choice will be mailed on Thursday, February 21, 2019.
- Q. If I do not receive an offer of admission from my school of first choice, when will I be notified by my school of second or third choice?
- A. Notification from schools of second or third choice regarding completion of their application process will be sent on Thursday, February 21, 2019.
- Q. If I receive a letter requesting completion of the application process at my school of second or third choice, does that mean that I will not receive an offer of admission from my school of first choice?
- A. If a student receives a letter from his or her school of second or third choice requesting completion of the application process, he or she will not receive an offer of admission from the school of first choice. In this case, the school of first choice will follow up with a letter to such applicants. These letters will be mailed on Friday, February 21, 2019.
- Q. If a student will not receive an offer of admission from any school, what will happen?
- A. If a student will not receive an offer of admission from any school, a letter from the school of first choice will be sent on Thursday, February 21, 2019. Included in this letter will be an explanation that the application was reviewed by the schools of second and third choice, and that admission is not available in any of the schools.

In order to facilitate postal delivery, all letters scheduled for mailing on Thursday, February 21, will be taken to the post office by noon on Thursday, February 21.

Once again, we would like to thank you for your interest in Catholic high schools. We are hopeful that this system of collaboration will provide a beneficial service to prospective students and their parents. If you have any additional questions about this process, please do not hesitate to contact the admission offices in our schools.

Sincerely yours in Christ,
