

# ENGAGING ENRICHMENT COURSES

1

**ART**  
Paint, draw, make photo collages- there are so many mediums to try! And each year our student artwork is featured in our annual spring Art Show!

2

**MUSIC**  
Sing sweetly and grab an instrument! Our music classes feature choral singing, soloists, and learning tried-and-true instruments like the recorder!

3

## LIBRARY

As the saying goes, reading is fundamental! Library helps students develop literacy skills and an early love of reading.

4

## P.E.

Every student needs some time to move around! Our P.E. enrichment teaches the value of keeping healthy by moving around and fundamentals of team play.

5

## TECHNOLOGY

Chromebooks, iPads, and enough apps to fill a whole screen! Students learn the skills they need to use technology effectively and have lots of fun too!

6

## STEM

Students learn about the engineering process and then do the building and programming all on their own!

7

## CAREER EXPLORATION

What do you want to be when you grow up? With so many options this class helps students focus on the education and skills they need to meet their goals.

8

## FIRST AID

Do you know how to wrap an ankle or treat a wound? We do! Our students learn the basics of first aid, including CPR, wound care, packing a first aid kit, and how to respond in emergencies.

9

## EAGLE 101

St. John School has 168 years of Catholic education and tradition. In this class, our students learn more about the history of our school.

10

## STUDY SKILLS

Not everyone thinks in outline form. Students in study skills are encouraged to explore different learning styles and discover the student strategies that work best for them.
